Findings/Comments Upon arrival, the licensing official met with designee Melissa Duran.

The purpose of this visit is to conduct a midyear inspection and provide technical assistance.

Technical assistance was provided on the following:

Rule 1.9.4(d) - Licensing official observed blankets and boppy pillow in crib. LO provided technical assistance explaining such as items not limited to pillows, blankets, etc. shall not be in the crib. This deficiency was corrected on site. The items were removed from crib. The director/designee will complete a daily walkthrough of classrooms with cribs and speak with infant teachers about items not belonging in cribs.

Rule 1.11.8(a) - Licensing official observed no thermometers on wall. LO provided technical assistance explaining thermometers that do not present a hazard to children shall be placed on interior walls in every activity area at children's height. The director/designee will go and purchase thermometers for classrooms on today 04.26.2019 and place them at the child's height level in every classrooms. The director/designee will monitor daily and make sure every classroom has a thermometer on wall.

Facility Name _____ License No. _____

Appendix D: Playground Safety Standards
CPSC 2.4.2 pg 9-10 + 4.3 - Surfacing under and around playground equipment is one of the most important factors in reducing life-threatening head injuries. Appendix D.
Findings: The licensing official observed inadequate surfacing under and around playground equipment.
POC / TA: Per designee Melissa Duran, the owner Taquana Pilcher is in the process of refencing the playground which will reduce the size of the playground. Once the renovations are completed the director / designee will contact the licensing official to come back out and remeasure playground. The director / designee will monitor and make sure there is adequate surfacing on the playground area as needed. The date of completion for renovations and addition of adequate surfacing will be at the end of May 2019, per Mrs. Melissa. A follow up will be conducted.

Customer survey card provided to, Melissa Duran.

"Class I and II violations may result in a monetary penalty. Repeated violations may result in the doubling of a monetary penalty, suspension, or revocation of the license"
