Findings/Comments

Per conversation with Director Ms Humphrey facility request license official to come out and inspect life center due to renovations to main facility. LD informed director that the fire marshal has to come and inspect the life center. She stated that she has that document from the fire marshal. Please send copy via email.

Also, a asbestos and lead report must be completed and submitted before any renovation can get started to the facility.

After a tour of the facility and measurement of the classrooms. Facility has 4 exits doors and a Capacity Worksheet is attached for the capacity of each classrooms. Capacity is set for 30 due to the number of sinks. Director has inform LD that a new sink will be installed, once sink is installed capacity will increase to 45.

Facility will utilize existing playground
Kitchen: food will be prepared present kitchen; transferred over in hot/cold boxes to keep temperature

Director stated renovation will take about a month to complete if more time is needed, email request for extension.
