Findings/Comments Here for Follow up to Inspection dated 02-05-2020.

Subchapter 8 Staffing

Deficiency: Rule 1.8.1(1) states in part staff to child ratios shall be maintained at all times.

Previous Findings: The caregiver in Room 6 was alone with ten (10) one year old children.

Updated Findings: Room 6 has 2 caregivers with 12 one year old children. This room as well as all other rooms are within ratio.

POC developed at time of inspection is being followed. No violations were observed.

Once all items for Renewal have been received, license will be approved.
