Findings/Comments

Here to remeasure room 1 and the Kitchen space for cooking, due to the facility no longer wanting to have food catered, per facility's request. Upon arrival the licensing met with the director Leigh Ann Henderson and designer, Breanna Long.

Due to Kitchen ~~at~~ measured previously on 8-5-19 no changes were made. LO recommends that a Fire inspection be completed to ensure compliance. Once Kitchen passes on Form 333 the licensing will then approve for child care use. X BZ

NO changes were made concerning Rm 1 or the Kitchen. The facility decided to use the additional space for transitioning in Rm 1.

LO also recommends that bedding / Sleep area be rearranged due to room arrangement and blind spots. The designer and director agrees to come up with a Safety plan and rearrange the room to ensure all children/infants are being supervised while sleeping or playing. X BZ

Questionnaire provided to the designer Breanna Long.
