Plan of Correction

1. **POC:** Based on observation of infant classroom a wall has been added that may cause ratio issues. Please remember that the wall creates an additional classroom. The sink for the diapering area is too far from changing table. The original changing table and sink is located on the opposite side of the wall. If wall remains up remeasuring of the classroom will be required. Contact licensure once a decision is made concerning the wall. Two staff will should remain on opposite side of the wall when more than 5 infants are present.
