1. **Out of Compliance:** All toys and equipment is in good repair (i.e., not broken or deteriorating). (Rule 1.10.2(2) Page 46)

Plan of Correction

1. **POC:** Licensing official reviewed the playground upon review. The structure on the big playground still has no windows where the plexiglass supposed to cover the window. License official was here with investigation on 10/22 and the facility has not used the playground since this date due to a new playground being installed, however, the installation has not started, and the facility is unaware of what the start date will be . there licensing official gave the facility two options to fix the original playground with plexiglass over the holes or remove the piece of equipment. The Director of the facility is getting the supplies to fix the plexiglass over the hole so the playground can be back in use The facilities. Should have a completion of this for August 4, 2023. The facility will email lixense official once its completed.

Person Responsible: Director **Date for Completion:** August 4th 2023
