Infant Classroom - Classroom Number: 2

1. **POC:** Staff to child Ratio-Based on observation the facility failed to maintain the correct staff to child ratio. There were 11 children present ages 0-12 months-3 years old alone with 1 caregiver. The staff to child ratio for infants is 1:5 this resulted in the classroom being over staff to child ratio by 6. This was corrected when additional staff arrived and the one infant was taken home and the 3 year old child was placed in classroom #3. The director will be responsible for ensuring compliance at all times TA was provided.
