Findings/Comments During a Virtual Renewal Inspection via Zoom meeting, licensing official Denise Love met with the director Nancy Banyard and stated the purpose of the visit.

- No critical violations were observed on the facility playground
- No critical violations were observed in the facility kitchen. The facility will receive a letter grade "A",
- Technical Assistance: LO observed that of the refrigerators in the kitchen didn't have a thermometer. The director stated there is an extra thermometer in the office and it will be placed in the refrigerator.

TA: During the Virtual tour, LO observed wall thermometers missing from all three afterschool classrooms and from the sleeping area where all the children go to take their naps. One of the afterschool classrooms is missing a daily activity schedule and an evacuation plan on the wall. The director stated all would be corrected as soon as possible. LO will schedule a Zoom follow-up.
