1. **POC:** Ms. Robbins will consult the church board for education to either move the infant and crawler (older infant/younger toddler) ages back to the original location or to add a permanent water source to these classrooms. Due to the fact that these classrooms were not previously approved for use infant rooms this caused the room capacity to be out of compliance. The facility has 30 days. A follow up will be conducted to ensure the plan of correction is being followed.
