**Findings/Comments**

Here for six month inspection. The licensing official met with Tracy Strong, director.

Children's Staff MSPH 121 form - compliance.  
Staff Letter of Suitability - compliance.

The licensing official observed that facility doesn't have any water at the facility.

Tracy Strong, director and Annette Muhammad said the City of Jonestown are having sewage and water problems and the major and city officials are working on this problem to get the water fixed.

The licensing official observed gallon jugs of water use for cooking, washing hands and toilets for right now. Right now there's no estimated restoration time.

Please contact your licensing official once water back on.
