Findings/Comments Upon arrival licensing officials met with director and designee, A. Killingsworth and T. Bennett. The purpose of this visit was to conduct a remeasurement due to the facility wanting to add additional restrooms in order to add school age children to the facility's license.

After final measurements, the facility's new maximum capacity is 83.

Please be sure to not deviate from the facility's floor plan. Any changes will have to be approved by the licensing official.

Licensing official will go online and add facility changes to LARS. A new license will be issued.

note: Please remember to not allow any students to go to restroom alone. All students must be accompanied by a staff.

Licensing officials observed separate boy's/girl's restroom.
