License #: 7094

Director: CANDACE MORGAN

Inspection Date: 11/07/2022

Follow-Up Inspection

Inspector: Tera German

Program Administration Violations Cited

No violations cited.

Plan of Correction

1. **POC:** Facility has MSDH 121s for the three staff whom had one missing and/or expired during previous inspection conducted on 10/11/2022. One staff with missing letter of suitability from previous inspection now has a valid letter on file on site. One staff with missing letter of suitability during previous inspection conducted on 10/11/2022 still does not have a letter. Director stated she has to send card off to fingerprint department. Director was reminded this staff shall not return to facility until a cleared letter is on file at facility. This staff was not present during today's inspection. Facility has one staff with expired letter of suitability. This staff was required to leave facility and not return until an updated letter was on file at facility. Facility has not conducted another fire drill for month of October which was recommended during last inspection.
