1. **POC:** Subchapter 5: Personnel Requirements Rule 1.5.2 #1 states "before a prospective staff member may begin work in a child care facility a valid letter of suitability must have been issued by the MSDH Criminal Records Check Unit. Rule 1.5.2 # 3b states " the facility owner and each employee shall have criminal history records check (fingerprint) child abuse registry checks, and sex offender registry checks complete at least every five years". Findings: During the records review the licensing official observed a new hire present in a facility classroom without their FBI letter and a current employee with an expired FBI letter on file. Both employees were removed from the facility. Technical assistance was given on making sure that new hires do not start until a valid FBI letter is on file and making sure that current employees' FBI letters do not expire. Technical assistance was also given on the online child abuse registry process. These employees can not return until a valid letter is in file.
