1. **POC:** Deficiency: Rule 1.5.2 states, "All operators, employees and prospective employees of a child care facility and any individual residing in a residence licensed as a child care facility shall have a criminal history records check, (fingerprinting), a child abuse registry check and a sex offender registry check." Findings: Based on observation during records review, the facility failed to conduct the required criminal history records check, etc. on two (2) employees. Both have expired letters of suitability and can not return until a letter of suitability is obtained and submitted to licensure. Director overlooked The letters and is aware of how to submit funding for the prints. An appointment was submitted for both staff to get fingerprinted.
