Findings/Comments

Arrived at the facility to conduct a renewal inspection, per request of director Janet Lee, LO measured a room connected to the facility. Director is adding a room for after schooler.

Per measurement facility capacity will increase by 56 which capacity for the facility will be 99.

Once all corrections have been made the facility can start using the room during normal business hours.

- lights / light bulbs must be repaired or replaced
- All venting vents need cleaning or replaced
- Kitchen needs 3 compartment sink / handwashing sink installed
- Where the roll up door is, it need replaced with an exit door that open outwardly.

All fees & repairs must be paid and completed before facility can use room addition
