Inspector: Tiffany Slay

Program Administration Violations Cited

No violations cited.

Kitchen Violations Cited

No violations cited.

Nutritional Guidelines Violations Cited

No violations cited.

Playground Violations Cited

No violations cited.

Plan of Correction

1. **POC:** LO observed on playground that fence has been removed from the playground and the post remained. Director stated that because of the rain they haven't been able to removed the posts but as soon as the rain stops or clear enough to remove the posts they will have it completed. Follow up will be conducted.

Person Responsible: Director **Date for Completion:** July 31, 2021

Findings/Comments Deficiency: Rule 1.11.4(b)

All kitchens providing food for child care facilities with 13 or more children, and all kitchens in child care facilities not located in occupied dwellings, shall comply with the Mississippi State Department of Health's 10.0 Regulation Food Code, with the exception that kitchens in facilities located in an occupied dwelling that are licensed for 13 or more children need not have a separate kitchen to serve the child care facility.

PCC:

Findings: L.O. observed in the kitchen, the odor from the stove. Once you walk into the kitchen you can smell gas. Director/cls stated that they are in the process of repairing the stove. Parts have been ordered and receipts for parts order and parts received will be attached to this encounter. Director also stated that she will provide a statement from the fire Marshall that states they are safe to resume normal business operations. Director will notify LO as soon as all parts are received to conduct a follow-up. Smoke detectors and carbon monoxide alarms are in place throughout the facility, and have been updated with weekly tests and new batteries. Director also stated that they have called the parts company to inquire about the arrival of the missing stove parts and was informed that because of COVID-19, some parts have been delayed and pushed back on delivery dates. Follow will be conducted when all parts have been installed.
