CCFI did not observe materials to be age appropriate for infants. CCFI could not access max capacity worksheet in LARS to confirm if the sink in Room 2 was a hand washing sink or a diaper changing sink. CCFI contacted supervisor. Supervisor was in the field and could not access system. CCFI will discuss max capacity worksheet with supervisor and will contact Director on how to proceed. Per Director, she is going to move children to accommodate the infant in an appropriate room. Director will email CCFI a layout of what age children and ratios are in each classroom.
