Findings/Comments Here for technical assistance. The licensing official met with Lisa Cauthern about the heater not working in the infant, creeper, two's, three, and four-years-old classrooms. The LOS observed the temperature in the above classroom at 68 degrees. Classrooms 107, 108, and 109 were observed to have heat, their temperature was 63 degrees. During the walk-through, the LOS observed classrooms to be in compliance with the ratio and room capacity during today's inspection. Classroom #107 did have a sink that can be used for diaper changing sink.

The LOS provided technical assistance on Rule 1.9.4(b) "The room shall be kept at a draft-free seasonally appropriate temperature of 65 to 78 degrees. Technical assistance was also provided on Rule 1.8.2 Ratio "which shall be maintained at all times and Rule 1.1.2 (3) "Room capacity shall be maintained at all times. Children will be moved to the Sunday School area temporarily. Per director, the parts for the heater will be in tomorrow.

LOS will follow up on December 28, 2022,

Lisa Cauthern
