Findings/Comments

The licensing official came to conduct technical assistance.

The facility sprinkler system pipe burst during the freeze the week of Dec. 19, 2022.

The director stated he came to the facility Dec. 24, 2022 and water was pouring out of the window of classroom #2.

The facility classrooms received damages:

- walls sheet rock has been removed in classrooms #2 and #4.
- ceiling tiles and insulation have been removed in classrooms #2 and 4.
- light fixtures will have to be repaired or replaced in classrooms.

All repairs for classrooms will have to be completed before re-opening classrooms.

Floors in classroom #2 and #4 will need to be cleaned and all toys, shelves, and classrooms supplies will need to be cleaned and sanitized.
