1. **POC:** During observation of the playground LO observed a white pipe hanging from the roof above the playground and screws/metal on the ground from a piece of playground equipment that fell over. This is a hazard that could cause potential harm to children. The owner emailed LO about the damage to the playground during a recent storm in the area. Please do not allow children to play in this area of the playground until repairs are made. The facility will have 14 days (08/08/2023) to make repairs, if more time is needed please contact LO.
