Please sign the acknowledgment below and send back to your licensing official.

This letter is an acknowledgment from the Mississippi State Health Child Care Licensure Division to the person(s) who will be held responsible for any violations that may be found while conducting any type of inspection.

L Denise Island. (name), serve in the capacity of owner, director, or director designee of Small Blessing Pre School (center name). I acknowledge that I was instructed to review my records and building to assure that all documents are current and up-to-date, and that the facility is free of hazards.

I realize that by signing this document that I am agreeing that all required documents that are needed for a temporary, mid-year, and renewal inspection for a license are in place at this time

FOODBORNE ILLNESS RISK FACTORS AND PUBLIC HEALTH INTERVENTIONS

Risk Factors are food preparation practices and employee behaviors most commonly reported to the Centers for Disease Control and Prevention as contributing factors in foodborne illness outbreaks. Public health interventions are control measures to prevent foodborne illness or injury.
